Noah

One day, when Noah was 500 years old, he received a special message from God.

God had become very sad watching all the people on Earth becoming so bad. He wanted to get rid of everyone and everything evil and start again.

He told Noah that he wanted him to build a huge boat. He told him what to make it out of and gave him instructions on how to build it.

The boat would be for Noah and his family and then 2 of every animal in the world.

Ark

When Noah had finished building the ark, God gave him a 7 day warning.

Noah had 7 days to get all the animals, his family and food on board the ark. After this, God would send rain for 40 days and 40 nights.

Once everyone was on the ark, God shut the door. Then the rain started. The rain kept going for the next 40 days.

However, after the rain had stopped, nobody could leave the ark because the Earth had flooded! The Earth stayed flooded for the next 150 days.

Noah #1

Soon, God remembered about Noah and everyone else who were on the ark. God sent wind to help dry the Earth.

Noah sent a dove out of the ark, however he never returned. A few days later, Noah sent out another dove, this time he returned with an olive branch!

The Earth had dried up, so God told everybody they could leave the ark.

Noah built God an altar to thank him for keeping them safe. God sent a rainbow in the sky to promise he would never flood the Earth again.
